Fred Delfay contacted Assemblyman Greg Ball's office and has a meeting set up with them regarding grants/funding. Billie Froessel contacted Senator Vincent Leibell's office and Congressman John Hall's office regarding grants/funding.

Extensive discussion ensued regarding the contents of the survey to be sent to the residents. A preliminary timeframe was set-up for a pre-survey postcard that would alert residents to look for the actual survey in the mail. The committee discussed what tallying options there are. Debbie Levin is going to look into the tallying options in more detail. The committee discussed what media outlets (i.e., cable channels, newspapers) could be used to make residents more aware. A survey and cover letter used for the Town of Wappinger has been circulated to committee members for wording ideas.

Next meeting is scheduled for Wednesday, February 21, 2007 at 7:00 p.m. at the Recreation Dept. Office on Pumphouse Road.
