It was confirmed that the Recreation/Senior survey has been mailed to all residents in town. The committee discussed the possibility of meeting with the local seniors groups to get their input on the type of recreation facility they would like in town and also the possibility of future presentations at various civic and community events.

Levon Bedrosian presented a detailed spreadsheet he created to tally the results of the survey.

A possible meeting with potential architects was discussed to gain a preliminary drawing addressing the top 10 needs the community would like to see based on the results of the survey. Extensive discussion ensued regarding local and national business sponsors to help defray costs.

Next meeting is scheduled for Wednesday, April 18, 2007 at 7:00 p.m. at the Recreation Dept. Office on Pumphouse Road.
