REGULAR REFUSE COLLECTION

Regular refuse must be available for collection by 6:00 AM. Garbage must be placed in plastic bags, tied and then put in receptacles with secure lids. Curbside collection **MUST** be within 4 feet of the road. Special Services collection will be made only when the driveway is free of all snow, vehicles and other obstacles. If your driveway is inaccessible due to any of the above conditions, we suggest that you put materials for that collection day at the curb. The Carter will not be responsible for refuse that is spilled out prior to the collection pickup and will not pickup construction/industrial debris or hazardous materials.

Garbage receptacles shall not be placed at the curb any earlier than 5:00 p.m. on the day prior to pick up and must be removed no later than 12 hours after collection. Residents on common driveways must put garbage receptacles at the end of their respective driveway. Receptacles shall be kept in good repair.

COLLECTION WILL BE LIMITED TO FOUR (4) THIRTY-TWO GALLON CONTAINERS PER PICKUP WITH TWO PICKUPS PER WEEK; EIGHT (8) CANS PER WEEK. THE CARTER WILL NOT BE OBLIGATED TO PICKUP AMOUNTS IN EXCESS OF THE FOUR (4) CANS PER PICKUP.

GARBAGE WILL BE PICKED UP TWICE (2 TIMES) A WEEK ACCORDING TO THE FOLLOWING ZONES:

ZONE 1 - MONDAY AND THURSDAY: All residential homes located North of Route 84.

ZONE 2 – TUESDAY AND FRIDAY: All residential homes located South Of Route 84

DEPARTMENT OF ENVIRONMENTAL PROTECTION LEGISLATION PREVENTS ACCEPTANCE OF GRASS CLIPPINGS, LEAVES AND BRUSH.

RECYCLING OPTION #1

Recyclables may be placed loosely in properly labeled trash containers or blue recycling bins. Additional "Recycling" stickers are available from the Town Clerk's Office. **Loose paper products, newspapers or cardboard must be in a separate bin from the glass, metal and plastics.** Cardboard must be broken down and cut no wider than 36" in either direction and placed in recycle bin. Newspapers and other paper products may be placed loosely in bin. Commingled recyclables, such as glass bottles, aluminum, tin & metal cans, foil and pie plates and plastic containers (numbers 1 through 6 as specified on containers only), should be rinsed, placed in a properly labeled trash or recycling container.

RECYCLING OPTION #2

CURBSIDE BULK PICKUP

In 2010, each property within the refuse district is entitled to **two** Curbside Bulk Pickups. One bulk pickup will follow the attached Wednesday Bulk Pickup schedule. See schedule for your street.

The second bulk pickup will be a flex-pickup, scheduled by each resident directly with the Carter. This flex-pickup will provide the opportunity for each resident to utilize the 2nd bulk pickup when they need it most.

Please follow the following procedure to schedule your flex-pickup:

- The flex-pickup can be arranged throughout the calendar year, prior to or after your scheduled bulk pickup date.
- To arrange this service, please contact Lauren Coiro at Suburban Carting one week prior to the requested service date at (845) 207-7200.
- Suburban Carting will provide the resident with a Wednesday bulk pickup date.
- Bulk pickup regulations will apply to your flex-pickup.

The following regulations apply to curbside bulk pickup:

- Curbside Bulk Pickup is for residents' household items only.
- All items must be at the curb the night before the scheduled pickup and no earlier than the Thursday before your scheduled date. Any items not taken by the Carter must be removed by the homeowner no later than the following Monday. Failure to do so will subject you to a fine.
- **Each pickup is limited to three (3) cubic yards.** This is an area approximately **9' x 3' x 3'**. Any bulk pickups in excess of this amount will not be picked up and will be left at your curb.
- Residents exceeding the three (3) cubic yard limit will have to either reduce the size or contract with Suburban Carting to have the excess above the three cubic yards removed at Suburban Carting's rate. Residents are also welcome to hire other carters to remove items in excess of the three cubic yards.

- **The following items are NOT included for curbside bulk pickup:**

Paint	Chemicals	Liquids	Stumps	Trees
Masonry	Lumber	Logs	Brick	Used Oil
Batteries	Stone	Tires	Propane Tanks	

- Construction, renovation or remodeling debris of any kind, including kitchens, baths, decks and windows, will not be picked up.
- Rugs must be cut, rolled and tied so that no roll is longer than 4 feet.
- Refrigerators, freezers, air conditioners or any other appliance containing Freon must be de-charged and tagged by a State authorized specialist. Consult the yellow pages for a professional under "Refrigerator and Freezers – Dealers and Service". The Carter will not pick up such items without such certification.
- The resident, before disposal, must remove doors on any appliance that presents a hazard for children.
- Tires can be disposed of through local auto repair shops at a nominal charge.

NOTE: Putnam County Hazardous waste clean-up days will be held by the Putnam County Health Department on one Saturday in the Spring and one Saturday in the fall (dates to be announced). You must pre-register by calling (845) 278-6130, Extension 43150

PLEASE KEEP THIS NOTICE FOR FUTURE REFERENCE

In 2010, Sani-Pro Disposal Services d/b/a Suburban Carting Company will provide household waste collection, recycling, and bulk services at a 4% reduction in costs to residents of the Town of Southeast.

Customer service is provided by Suburban Carting at (845) 207-7200 or you can contact the Town of Southeast at (845) 279-8206.

NEW 2010 RECYCLING OPTION: Recycling can now be left loose in properly labeled bins or barrels. Even though paper, cardboard and comingled items still need to be separated, they don't need to be bundled or bagged as long as they are in containers that can be picked up and emptied. You have the option to place the separated items into trash barrels or plastic bins labeled "Recycling". You can either purchase blue recycling bins or use "Recycling" stickers provided for cans you already own. Extra stickers are available free at the Town Clerk's Office. Blue recycling bins are also available for purchase at the Town Clerk's Office.
