

Tonetta Lake Advisory Committee Meeting    March 27, 2006

7:30 PM – 8:30 PM

Attendees:

Don Hazen - Chairman  
Ralph Woodgate  
Karl Lebitsch  
Robert Lund  
Mike Langley  
Robert Zubrycki  
Paul Johnson – Town Board Representative

- **ISCO SAMPLES** – A new battery will be ordered as a back up to the battery that came with the unit. Bob Zubrycki to follow up with PrincetonHydro on comments on the TLAC's lake testing plan.
- **Carp Update** – Michael Flaherty confirmed that the application would be submitted to the Permitting Office and that the permit could be issued at the end of April. Issues with the fabricator and his willingness to bid on the project. Paul Johnson to call him.

4/5/06 Update – It appears that the 30-day clock has started for public comment with the publishing of the required SEQRA notice. We are also reaching out to other fabricators, i.e. Tom Fenton to reach out to a local fabricator and Paul Johnson to work with Aimtech of Yorktown, New York.
