

## Tonetta Lake Advisory Committee Meeting    February 2, 2005

7:30 PM – 8:35 PM

### Attendees

Don Hazen - Chairman  
Karl Libitsch  
Mike Langley  
Bob Zubrycki  
Ralph Woodgate  
Paul Johnson – Town Board Representative

- **Meeting Dates** – Will be on the 3<sup>rd</sup> Monday, at 7:30 PM.
- **Sterile Carp Deployment** - Paul Johnson gave an update on the Carp Permit, the status of the carp fence, and a new strategy of locating the carp fence down stream of the spill way. Meeting with Town Engineer and Assessor to take place on February 4<sup>th</sup> at proposed site.
- **Lake Management Grant** – Don Hazen to follow up with Putnam County Planning department regarding the Lake Management Grant.
- **2005 Testing** – Discussed strategy for taking lake water samples following a storm water event during 2005. Paul Johnson will invite Dr. Lubnow to attend the next committee meeting on March 21<sup>st</sup> to discuss next steps.
- **Storm Water Improvements** - Reviewed detailed drawings of the Storm Water improvements being deployed around the lake, i.e the position of new drainage, improvements of swales, installation of vortech structures and new storm water catch basins.
- **Newsletter** – Plan for a newsletter for the April/May timeframe
- **Litter** - Will seek to coordinate a litter pickup around the lake to coincide with the Town's Earth Day townwide litter pickup event.
