

CURBSIDE BULK PICKUP

In 2007, each property within the refuse district is entitled to **two** Curbside Bulk Pickups. One bulk pickup will follow the attached Wednesday Bulk Pickup schedule. See schedule for your street.

The second bulk pickup will be a flex-pickup, scheduled by each resident directly with the carter. This flex-pickup will provide the opportunity for each resident to utilize the 2nd bulk pickup when they need it most.

Please follow the following procedure to schedule your flex-pickup:

- The flex-pickup can be arranged throughout the calendar year, prior to or after your scheduled bulk pickup date.
- To arrange this service, please contact Kim McCarroll at AWS one week prior to the requested service date at (800) 921-5568, ext. 157.
- AWS will provide the resident with a pickup date (typically a Wednesday).
- Bulk pickup regulations will apply to your flex-pickup.

The following regulations apply to curbside bulk pickup:

- Curbside Bulk Pickup is for residents' household items only.
- All items must be at the curb the night before the scheduled pickup and no earlier than the Thursday before your scheduled date. Any items not taken by the Carter must be removed by the homeowner no later than the following Monday. Failure to do so will subject you to a fine.
- **Each pickup is limited to three (3) cubic yards.** This is an area approximately **9' x 3' x 3'**. Any bulk pickups in excess of this amount will not be picked up and will be left at your curb.
- Residents exceeding the three (3) cubic yard limit will have to either reduce the size or contract with AWS to have the excess above the three cubic yards removed at AWS' rate. Residents are also welcome to hire other Carters to remove items in excess of the three cubic yards.
- **The following items are NOT included for curbside bulk pickup:**

Paint	Chemicals	Liquids	Stumps	Trees
Masonry	Lumber	Logs	Brick	Used Oil
Batteries	Stone	Tires	Propane Tanks	

- Construction, renovation or remodeling debris of any kind, including kitchens, baths, decks and windows, will not be picked up.
- Rugs must be cut, rolled and tied so that no roll is longer than 4 feet.
- Refrigerators, freezers, air conditioners or any other appliance containing Freon must be de-charged and tagged by a State authorized specialist. Consult the yellow pages for a professional under "Refrigerator and Freezers – Dealers and Service". The Carter will not pick up such items without such certification.
- The resident, before disposal, must remove doors on any appliance that presents a hazard for children.
- Tires can be disposed of through local auto repair shops at a nominal charge.
